NOTE: Dependent upon funding – if not enough in 2018 paving only will be done in 2019

Road and Utility Projects

continued.....

South Jersey Gas will be doing final paving of impacted streets this fall. Roads will be restored to original condition, including striping, bike lanes and patches.

A decorative graphic consisting of several parallel white lines of varying lengths, slanted diagonally from the bottom right towards the top right, located in the lower right quadrant of the slide.

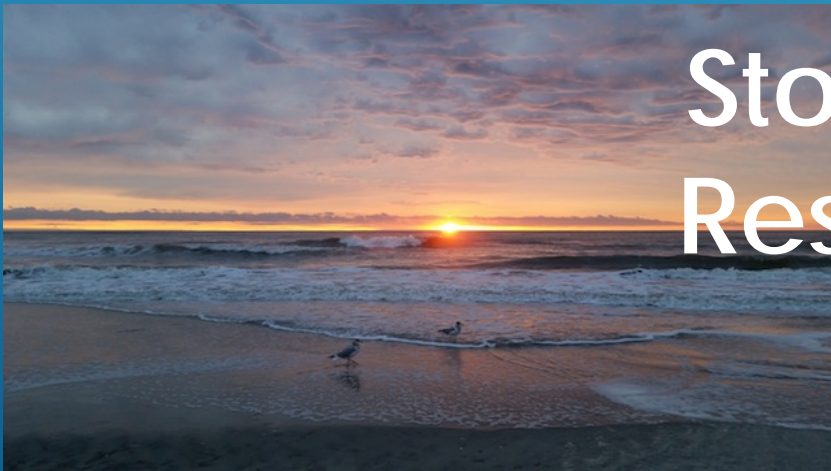

2019 Budget Review Time Line

- **September 14, 2018:** Budget documents sent to all department heads to prepare documents for Council Committee review
 - **October/November:** Budgets requests reviewed by Council Committees
 - **November 21, 2018:** Budgets are returned to CFO and Administrator
 - **December 4 & 18, 2018:** Council Work Sessions: Department budgets are presented to Mayor and Council for review
 - **February 19, 2019:** 2019 Budget introduced at Council Meeting
 - **March 19, 2018:** 2019 Budget adopted at Council Meeting
- 

Monitoring Continues

Both the Beach and the Bay will be surveyed in the fall of this year by the Stockton Coastal Research Center.

**Another
Great
Summer!**
